Please attach a site plan showing property lines, existing and proposed buildings, driveways, wells, neighbors wells (if known), and all other improvements that are planned for the property. If a plat map of the property is available, please include this. The preferred location for the tanks and drainfield should be indicated also. An additional fee (up to the entire design fee) will be charged for changes requested by the owner after the design has been prepared.

I agree to pay Tower Designs, Inc. the fees (from the fee schedule) for the services requested as soon as the work is completed and invoices are presented for payment. I further agree to pay the backhoe operator's fees if they are arranged by Tower Designs, Inc. It is the applicants responsibility to obtain permission from property owner to dig test hole if property is not owned by applicant. The Chelan Douglas Health District will be notified when test holes are scheduled and may be present on site.
